**Textbooks:** AZ Common Core Standards for Mathematics by AZ Department of Education, *Mathematics, Structure and Method* by Mary P Dolciani, *Saxon Math Grades 5*, *Spectrum Algebra Grades 6-8*, *Algebra 1* (Prentice Hall Mathematics), *Glencoe Grades 6-8*, *PreCalculus with Limits* by Larson.

**Course Description:** Students will practice the Socratic Method and reasoned responses in conjunction with the adoption of the National Common Core Mathematics Standards in the state of Arizona for the 2018-2019 school year. As a Common Core Mathematics trained K-8 math specialist with Endorsements in Middle Grade Mathematics/Early Secondary Mathematics, Mrs. Stevenson helps students attain the highest level of math comprehension and application. In addition, students complete their assigned homework, test preparation practice, organizational skills review and time management techniques.

**Use of spiral notebook:** A spiral notebook is kept for class work, vocabulary and math notes. Homework is completed on notebook paper and filed in the 3 ring binder along with any handouts and assessments. Notebooks will be collected and graded based on a rubric which includes criteria for organization, neatness, and thorough work.

**Homework:** Students should have sufficient time to finish schoolwork in class. The homework must have the problem written out, the steps outlined and the solution completed.
